NOVEMBER.

[Mrs. Louis E. Amis in "Autumn Leaves."] Now black November comes with chilling blast. With lowering clouds the sky is overcast. Through leafless trees the North wind coldly sighs. And swiftly toward the South, the wild geese flies!

There twittering among the ivy leaves is heard The English sparrow, and the brown song bird. While near the hay-rack, snugly nestling close, The lazy poodle makes his winter house.

The dead leaves flutter through the garden walks, The pale chrysanthemums droop on their stalks; The willow bends its frosted boughs, and weeps— O'er graves of summer joys, it vigil keeps!

The whistling winds portend a coming storm, And nestling chickens cluck their quick alarm. The timid lambs— and sheep with tinkling bells, Rush by with instinct true, which e'er foretells.

The need of shelter, and a safe retreat From winds that pierce, and driving rains that beat. Around and o'er the poor unsheltered wight, Who trudges through the dark November night.

Within the homestead, bright and joyful gleams The crackling hearthstone fire—reflecting beams Of welcome light, from dripping window pane. And cheerful rays out-flashing through the rain!

East winds still wall around the dripping eaves, Rain drops still patter down on dead oak leaves; Without, the way is dark, and drear, and long, Within, the light of hope and trust is strong!

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise—A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood. Will drive Malaria from the system and prevent as well as cure all Malarial fevers—For cure of Headache, Constipation and Indigestion try Electric Bitters—Entire satisfaction guaranteed, or money refunded.—Price 50 cts. and \$1.00 per bottle at Lee, Johnson & Co's. drug store.

Hard-Worked Citizens.

Mrs. Winks: "You surely are not going out to-night?"
Mr. Winks: "Yes, my dear; election, you know."
"Mr. Winks, the election is over."
"Um—er—yes, my dear, this one is, but there'll be another election in four years, my dear, and every good citizen must begin to think about it now, my dear, my love. I'll be back early."

Thousands who, having tried in vain to find a remedy that will truly cure blood diseases, think their cases incurable, but such is not the fact. Botanic Blood Balm made in Atlanta, Ga., will cure blood poison when all other treatments, including Hot Springs, have failed. Give it a trial and be convinced. nov-25-88

It Has Never Failed.

Botanic Blood Balm, (H. B. B.) has cured hundreds of cases of Scrofula, Eczema and other contagious blood diseases, after other treatment had been tried and failed. You do yourself and family good by using it. Send to Blood Balm Co., Atlanta, Ga., for illustrated "Book of Wonders" filled with letters from persons cured by H. B. B.

Mr. M. J. ROSSMAN, Greensboro, Ga., writes: "I have a lady friend who has been entirely cured of SCROFULA of an ugly scrofulous breaking out of the skin, and the use of two bottles of H. B. B. effected an entire cure. I know of several cases of blood diseases cured speedily by the use of H. B. B."

E. G. TINSLEY writes: My mother and sister used H. B. B. for scrofula and ulcerated sore throat and received more benefit from its use than all other remedies they ever used.

A. H. NICHOLS, 110 Gray St., Atlanta, Ga., writes: "My wife for several years has been suffering with what physicians term Eczema, affecting her whole body, limbs and scalp. It appeared that her whole skin would shed off in scales about once a week, leaving the surface red and tender, and sometimes cracked open. Her general health failed, and for a while it was thought she would die, as several doctors and numerous patent medicines failed to give any relief. My brother-in-law, Mr. J. B. Cummings, was selling the H. B. B. and insisted that I should try it on my wife. I did so, and to our utter astonishment she commenced improving at once, and three bottles, costing only \$2, effected an entire cure. It is wonderfully quick in action."

D. M. McKRAE, Waynesboro, Miss., writes: "My sister was afflicted with boils which sadly impaired her health, and she lost flesh and strength each day. One bottle of H. B. B. effected a complete cure." (C)
